<input type="checkbox"/> By submitting this quote request, I acknowledge that I have read, understood, and agree to comply with our terms and conditions and privacy policy. I agree to maintain the confidentiality of any confidential or proprietary information disclosed during the quote request process. I further acknowledge that any intellectual property rights will be owned by 3DZN LLC, unless otherwise agreed upon in writing. I accept that the quoted prices are valid for the specified period and that payment will be made in accordance with the agreed-upon payment terms. I agree to the specified delivery and shipping terms and understand that any warranties or guarantees provided by the vendor will be outlined in the agreement. I understand that 3DZN LLC may terminate the agreement in case of non-compliance or breach of terms. I acknowledge that any disputes arising from the agreement will be governed by the specified governing law and jurisdiction.			

Instructions:

1. Fill out the Form:

- Complete all the required fields in the form.
- Ensure accuracy by providing your name, company name (if applicable), contact information, and a clear description of your requirements.

2. Save the Completed Form:

- After filling out the form, save the final document on your device.

3. Compose a New Email:

- Open your preferred email client or webmail service.
- Create a new email message.

4. Encrypt the Email:

- To ensure the security of your information, we recommend encrypting the email content.
- Utilize the encryption feature provided by your email client or use a trusted encryption tool.
- Set a strong password for the encryption and securely store it.

5. Attach the Form:

- Locate the completed form on your device.
- Attach the form to the email as an attachment.
- If you have any supporting documents or files, attach them as well.

6. Provide Necessary Information:

- In the body of the email, include your contact details and any additional information related to your quote request and clearly mention any specific instructions or requirements.

7. Send the Encrypted Email:

- Send the encrypted email to the designated email address:
[\[alexander.m.angelo@3dznco.com\]](mailto:alexander.m.angelo@3dznco.com).
- The attached form and supporting documents will be securely delivered to our team.

8. Await Confirmation and Response:

- After submitting the encrypted email, our team will receive your quote request securely. You will receive a confirmation message once your email is received and processed.
- Our team will review your request promptly and prepare a customized quote based on your requirements.
- We aim to provide a response within the specified time frame.

For instructions on how to encrypt emails using various email clients, please refer to the following link: [Instructions for Email Encryption](#).

Thank you for choosing our services. We prioritize the security of your information, and by following these instructions, you can securely submit your quote request. Should you have any questions or encounter any issues during the process, please don't hesitate to contact our dedicated support team for assistance.
